

# Beach Monster

I saw a monster in the waves  
When I went to the beach one day.  
I was sure it was a monster,  
So I just ran away!

And then I thought I'd take a look,  
To see if I was right.  
So I crept a little closer,  
And I saw an awful sight!

A great big, green thing coming near,  
I was sure it was headed for land.  
So you can understand my surprise,  
To see a rubber raft drift to the sand!
